Welcome

Although the weather might suggest otherwise, the school year is almost over. The last few weeks are packed with special days and activities. For instance, the eighth-grade classes will finish their musical this week and will go on a camp to Texel next week. There have already been some class outings, and there are still a few more planned. All the children will meet their new teachers on Monday, July 1st during the transition afternoon. We will officially say goodbye to the eighth graders on July 4th. Together, we are counting down to July 5th, the day we will start the summer vacation together at 12:00 noon. We are excited about it!

Herewith we wish everyone a happy holiday in advance and hope to see you all back healthy after the vacation!

Rianne van Oirschot and René van Ballegooijen

Staff formation 2024-2025

As every year, we carefully consider how to assign the teachers to the different classes. We take into account the development and needs of both the children and the teachers. Together, we have come to the following arrangement.

Of course, some children may be disappointed because they did not get the teacher they wanted, but this is a part of life and something we can help them learn to cope with. It is very important for the children that parents react positively. Focus on the positive, and everything will be fine, and we will all look forward to a wonderful year ahead!

Bye Gerard van Nunen

As previously communicated, our Gerard will be leaving the school for his well-deserved retirement. Thursday, July 4th will be his last day. If you would like to say goodbye to him personally with your child, there will be an opportunity to do so that morning. This will be in the staff room starting from 8:15 AM. Coffee and tea will be available for those who wish.

Parent Portal Parro

Most parents have already registered with Parro! Very nice. If you have any questions or need assistance, you can send an email to Margot Prijt at margot.prijt@bestondewijs.nl

Parental Contribution

From Best Onderwijs, the overarching foundation, it has been decided that the voluntary parental contribution will be abolished to improve equal opportunities. This applies to all primary schools in Best. Starting next school year, Best Onderwijs will transfer an amount per child, & this money will be managed by the school.

This means that in that school year, the Parent Council of Klimboom will also be dissolved. The Parent Council used to decide how this contribution former spent, but this will no longer be the case from September 2024. Examples of these expenditures included Sports Day, the Kindergarten Party, & WOW Day. Additionally, activities such as school photos, Compliments Day, or Christmas lighting in the schoolyard were organized by the Parent Council.

Although the Parent Council will be dissolved, this does not mean that we no longer have plans! Next year, this group will continue in a different form. We will provide more details about this later. We will likely need help with this, so keep an eye on the Boompost!

There is still budget left from last year. We will find a good purpose for this money that all children can enjoy for a long time. Since we do not want to make any hasty decisions about this, we will address it later.

For now, we thank you for the trust you have placed in us.

The Parent Council
