Welcome

Dear Parents and Guardians,

The first Boompost of 2025! We are currently in the middle of the assessment period, and the teachers are busy preparing our new report cards. In previous years, we used MijnRapportfolio, but this year we will be presenting the reports differently.

On one hand, this change is due to the limited login activity by parents, which meant that many were not sufficiently informed about their child's development. On the other hand, we have listened carefully to parents' requests for a physical report card.

If there are documents in MijnRapportfolio (which you still have access to) that you would like to keep, we kindly ask you to download them yourselves.

We are also dealing with a wave of flu at school. So far, we've managed to handle this thanks to the great flexibility of our team. We are aware that some decisions may not have been ideal, but they were necessary to avoid having to send your children home. Ensuring staff coverage for the classes is always our top priority.

As a result, it may happen that extra support for students outside the classroom has to be canceled. If we are unable to cover a class, our first course of action will be to split the group. This way, you won't be surprised by a last-minute message in the morning saying that your child can't attend school.

Kind regards,
René and Rianne

Reminder Parent Evening Fides

As previously announced, the parent evening about Fides will take place tomorrow, Thursday, February 6.

- Time: 7:15 PM – 9:15 PM
- Location: Heerbeek College
-

We look forward to seeing you all tomorrow!

WOW-week

On April 14, our school will celebrate its 25th anniversary! We will mark this occasion with a WOW-week. Please check your calendars to see if you are available to help on Tuesday, April 15, Thursday, April 17, or Friday, April 18. We especially need many parent volunteers on Tuesday for supervision and transportation. On the other days, activities will take place around the school.

More information will follow soon!

Coffee in the Staff Room!

Did you know that you are welcome for a cup of coffee or tea in the staff room on Tuesdays and Wednesdays at 8:30 AM?

The goal is to increase involvement with the school and to casually chat with other parents.

Carnival: "Council of Half Elluf"

We are Wout and Ravi from group 7A.

We are on the "Council of Halluf Elluf"

The council is the youth of the Klompengat Carnival Federation.

Every year we come to schools on Friday for carnival, among other things.

So get ready, put on your best carnival clothes. When we come it's a party!!

Carnival starts on the 11th of the 11th, when the youth prince is known and so is the great prince.

From then until Carnival is over, we celebrate at many associations in the village.

If you would like to join our friendly group, please register by sending an email to jeugdcommissie@klompengat.nl.

Boys and girls from group 4 are allowed.

Alaaf!

Reminder Limonadeconcert

Dear parents/guardians,

Last school year we were able to enjoy a beautiful one again Lemonade concert with beaming children on stage. A real concert for and by children of the Klimboom. Behind the scenes we are already thinking about the next edition of the Lemonade Concert. Last year we said goodbye to our... fanatical bond since the children have left De Klimboom. We are so we are urgently looking for parental help for the upcoming lemonade concert to continue for years to come. How nice would it be to have musical talents to give the children at De Klimboom a beautiful stage again...

We are looking for parents who can support with:

- Providing and operating lighting and/or sound.
- Providing musical guidance to the children during performances for example piano/vocals/guitar etc.
- Supervising children during practice afternoons/general sessions rehearsal/concert. Think about picking them up from class and making sure they get to school on time standing on stage etc.
- Video recordings of the acts and making promotional videos for subsequent editions.

Who would be willing and able to contribute to the organization and/or the musical accompaniment to the Lemonade Concert? If you indicated earlier if you would like to help, we would like to hear from you again.

This year's Lemonade Concert is on March 15 & 16. Please note that you are available on Saturday afternoon and Sunday morning. In addition, there are two more practice moments during school hours, namely February 3 & 24.

If you want even more information about different tasks, don't hesitate to ask them to set!

So if you want to help us, you can let us know on email address: didi.rikken@bestonderwijs.nl

Kind regards,
The Lemonade Concert Committee

Didi, Wendy, Annemarieke and Vera
